

Vaccine Pop Up Clinic

NYC’s Vaccine Command Center has partnered with DOT to arrange for on-site COVID-19 vaccination “pop-up” clinics at various DOT locations. Medical staff will be on hand to answer any questions about the COVID-19 vaccines. Additionally, those who have not yet been vaccinated are eligible for the \$100 incentive recently announced by the Mayor. Please see full details and schedule for September below, all dates subject to change.
